# Presentation skills for academics and researchers

---

This programme is focused on how to structure an effective academic presentation and build confidence in presenting in English.

The objectives of this programme:

- Learn how to structure presentations effectively;
- Practise language specific to presentations;
- Develop more engaging visuals;
- Use voice effectively;
- Review strategies to deal with fear and nervousness.

This 3-hour seminar (2 x 90 minutes with a 15 minutes break between) is designed for Academics, Lecturers, Researchers at high Upper Intermediate and Advanced levels, who need to improve their presentation skills. The programme will be run as closed online seminar in the platform ZOOM.
